Vision Plan 6060

You may use any licensed vision provider or choose from over 42,000 participating providers nationwide including Wal-Mart, Pearle Vision, Sears Optical, J.C. Penney, For Eyes Optical, Hour Eyes and Target Optical, along with independent optometrists, ophthalmologists and opticians.²

In-Network Benefits Include:

- **Eye Examination:** Covered 100%.
- **Eyeglass Lenses:** Covered 100% per pair. Lens options purchased from a participating provider will be provided to the member at a fixed price (does not apply to Wal-Mart locations). Please refer to your coverage schedule for specific pricing.
- **Frames:** Any frame up to a retail price of \$120. The member is responsible for frame costs exceeding \$120, less a 30% discount (for example, if the frame costs \$220, the plan covers \$120 and the member is responsible for the remaining balance of \$100. Instead of paying the full \$100, the member gets a 30% discount and pays only \$70).
- **Contact Lenses:** Any pair of contact lenses up to a retail price of \$100 (member cannot have eyeglass lenses and contact lenses covered under the plan in the same 12-month period). The member is responsible for contact lens costs exceeding \$100, less a 25% discount (for example, if the contact lenses cost \$200, the plan covers \$100 and the member is responsible for the remaining balance of \$100. Instead of paying the full \$100, the member gets a 25% discount and pays only \$75).

A mail order discount program is also available by ordering online through Contact Fill at contactfill.com or toll-free at 866-234-1393.
